Music Lessons –Evenings & Weekends

The Sound in Motion Music Club, weekly private lessons, flat monthly fees!

- Fees are averaged over the nine months to provide clients with a flat monthly fee. (E.g. Some months have 4 lessons scheduled, sometimes 2 or 3 due to holidays, however the rate is flat based on 30 lessons + 2 free bonus lessons from September to May.)
 - There are no 'make-up' or rescheduled lessons for student absences. This ensures our professional music instructors have a predictable income and helps us retain the best teachers! But, we know students miss occasionally. Now, musicians can book a bonus lesson for any time during the year!
 - Music students also attend group music workshops for free!
-

The rates below are based on 30 lessons delivered from September to May.

Late enrollment may result in a different monthly amount, depending on number of remaining lessons.

Fees are based on \$35 per 30 minute lesson, however "per lesson" payment plans are not offered. Students must enroll on a month to month basis and fees are based on number of lessons remaining in the season. One bonus lesson per 15-week commitment is included.

| | |
|-------------------|---------------|
| 30 minutes lesson | \$116 monthly |
| 45 minutes lesson | \$174 monthly |
| 60 minutes lesson | \$232 monthly |

Performers at Sound in Motion pay a flat rate recital fee, which includes unlimited tickets for family and friends as well as a digital video recording of the show!
Recital participation for music students is optional, but highly recommended!

See other side for details.
